Satnav directions are good.

Usually the A3 is better from London than the M3 but it depends where you are coming from.

Look for the white Parklands sign just off Forest Road. Turn into Parklands Industrial Estate and turn first right, just past the exhaust company. We are just past them. Park opposite the lake.

Train

The nearest train station is Havant. Get a Taxi from the station.

The workshop is open to the public only with an appointment.

Visits are usually possible on a weekday between 8am and 5pm.
Weekends and Bank Holidays Closed.
